PROFILE SUMMARY

Aspiring developer eager to gain hands-on software development experience in an esteemed company. Dedicated to learning and growing professionally. Focused on contributing to innovative projects and collaborating with dynamic teams.

PROJECT

Project - 1

Website (Nostra)

(HTML, CSS, JavaScript)

- Developed a responsive and user-friendly static website with a clean and minimalist design.
- Ensured the site is mobile-friendly and compatible with different screen sizes.
- Implemented Flexbox and Media Queries to optimize layout and responsiveness.
- Deployed and hosted the project using Amazon S3 bucket
- Project Link: [Nostra](#)

Project - 2

Tic Tac Toe Project using React.js

- Developed a mobile-compatible Tic Tac Toe game using React.js for a seamless user experience.
- Designed with responsive features and interactive game elements.
- Applied debugging techniques to ensure smooth gameplay, handling turn accuracy and preventing moves on filled boxes.
- Project Link: [Tic Tac Toe Game](#)

SOFT SKILLS

1. **Communication:** Building effective communication skills to enhance collaboration and mutual understanding.
2. **Teamwork:** Learning to work well within a team, contributing positively to group efforts.
3. **Adaptability:** Eager to learn and adjust quickly in dynamic environments.
4. **Problem-Solving:** Developing the ability to identify and tackle issues with creative solutions.
